Is your teen challenged with depression, anxiety, or self-harm?

- Is your teen isolating?
- Is your teen withdrawn?
- Is your teen sad?
- Is your teen expressing frustration?
- Is your teen talking negatively about themselves?

We treat adolescents aged 12 years old - 17 years old who struggle with psychological, emotional or significant behavioral problems in school, at home or in the community.

Our warm and welcoming environment is great for promoting crisis resolution, developing social skills, positive self-awareness and more. Furthermore, we focus on stabilizing symptoms of anxiety, depression and other disorders.
